

Eyal Manzoor appointed as Managing Director at Kornit Digital Europe GmbH

December 29, 2015

Manzoor replaces Wilfried Kampe effective January 1st, 2016; will focus organization on continued growth

December 29, 2015 – Kornit Digital, (NASDAQ: KRNT), a global market leader in digital textile printing technology, has announced that Eyal Manzoor has been appointed as Managing Director at Kornit Digital Europe GmbH.

In this capacity, Manzoor will oversee Kornit Digital's operations in Europe, the Middle East and Africa (EMEA). He replaces Wilfried Kampe who has successfully completed the setup and initial expansion of Kornit's European entity into a highly efficient regional representation with a strong focus on customer support. The change becomes effective January 1st, 2016.

Manzoor joined Kornit Digital in April 2007 and was appointed as Managing Director at Kornit Digital Asia Pacific in 2012. Mr Manzoor has over 15 years of experience in the digital and textile printing areas, in customer support, sales and marketing and senior regional management. Prior to joining Kornit Digital, Manzoor worked for companies such as NUR Macroprinters and Scitex Vision. He holds a bachelor's degree in Economics and Management from the Open University of Israel. Manzoor will relocate to Europe.

Sarel Ashkenazi, Kornit Digital's EVP of Sales, commented: "We have a great and professional team in Europe and we are confident that together with Eyal we can continue growing our business in EMEA. Under his leadership, Kornit Digital Asia-Pacific has been our fastest growing region in the last few years. Eyal brings with him vast knowledge of Kornit's industry, customers and products, and he is the right person for the culturally diverse scene of Europe. We would like to take this opportunity and thank Wilfried on his great contribution to Kornit and wish him success in his next career move."

Eyal Manzoor will be supported by Kornit Digital Europe's established management team, namely Roger Albert (Sales Director EMEA), Oliver Luedtke (Marketing Director EMEA) and Ernst Gross (Commercial Manager).

About Kornit Digital

Kornit Digital (Nasdaq: KRNT) develops, manufactures and markets industrial and commercial printing solutions for the garment, apparel and textile industries. Leading the digital textile printing market with its exclusive eco-friendly NeoPigment process, it caters directly to the needs of the entire textile printing value chain, from designers to manufacturers, apparel decorators and fashion brands. With its immense experience in the direct-to-garment market, Kornit Digital is also revolutionizing the roll fabric industry with its single step solution that enables printing with a single ink set onto multiple types of fabric and with no additional finishing process. Founded in 2003, Kornit Digital is a global company with offices in the USA, Asia Pacific and Europe and serves customers in more than 100 countries worldwide.
