The Company’s board of directors (the “**Board**”) has appointed Mr. Assaf Zipori as Kornit’s new chief financial officer, effective upon Ms. Hanover’s departure in mid-December.

Ms. Hanover’s resignation did not relate to any dispute or disagreement with the Company or the Board as to the Company’s accounting practices or financial reporting.

On November 17, 2025, the Company further announced that its Board has approved a new program for the repurchase of up to \$100 million (in addition to amounts approved for repurchase under previous programs) of the Company’s ordinary shares, par value 0.01 New Israeli Shekels per share (“**ordinary shares**”).

Under the program, Kornit may effect the prospective repurchases by way of a variety of methods, including open market purchases, privately negotiated transactions or otherwise, all in accordance with U.S. securities laws and regulations, including Rule 10b-18 under the U.S. Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). **Kornit Digital Announces CFO Transition and New \$100 Million Share Repurchase Program**

*Moves Reflect Confidence in the Company's Strategy and Long-Term Growth Plan*

**Rosh Ha`Ayin, Israel, November 17, 2025** – Kornit Digital Ltd. (“Kornit” or the “Company”) (NASDAQ: KRNT), a worldwide market leader in sustainable, on-demand digital fashion and textile production technologies, today announced a CFO transition and a new \$100 million share repurchase authorization, reinforcing its continued focus on profitable growth, operational excellence, and creating long-term value for its shareholders.

**CFO Transition**

Kornit announced the planned transition of its Chief Financial Officer, as Lauri Hanover has decided, for personal reasons, to step down from her position. Ms. Hanover will remain the Company's Chief Financial Officer through mid-December 2025 to ensure a smooth and effective transition.

“On behalf of Kornit's Board and entire management team, I want to thank Lauri for her partnership, professionalism, and significant contributions over the past decade,” said Ronen Samuel, Chief Executive Officer of Kornit Digital. “Lauri served seven years as a member of the Board and Chairwoman of the Audit Committee and the last three years as Kornit's Chief Financial Officer. She played a central role in strengthening Kornit's financial foundation and supporting our journey toward sustainable, recurring, and profitable growth. We thank Lauri sincerely for her dedication and leadership and wish her well in her future endeavors.”

Mr. Samuel continued, “I am very pleased to welcome Assaf Zipori as our new CFO. Assaf brings deep financial expertise, strategic insight, and strong operational leadership that will help us execute our next phase of our journey and in building long-term value for our shareholders.”

Mr. Zipori joins Kornit with extensive financial, strategic, and operational leadership experience across the technology and manufacturing sectors. Most recently, he served as Global CFO of Nano Dimension Ltd. (Nasdaq: NNDM) following its acquisition of Markforged Holding Corporation (NYSE: MKFG), where he also served as CFO.

He previously held senior financial leadership roles at Component Control, Amdocs (Nasdaq: DOX), and Retalix, which was later acquired by NCR Corporation. Earlier in his career, he worked at Ernst and Young and KPMG, advising global clients across technology and industrial markets.

“I am thrilled to join Kornit as Chief Financial Officer at such a transformative moment in the Company's evolution,” said Mr. Zipori. “I look forward to partnering with the leadership team and the Board to advance operational excellence, accelerate profitable growth, and deliver sustainable value for our customers and shareholders.”

## Share Repurchase Program

Kornit also announced that its Board of Directors has authorized a new share repurchase program of up to \$100 million. This authorization reflects the Company's strong balance sheet and continued confidence in the Company's strategy, execution, and long-term growth trajectory. It builds on the \$165 million in share repurchases executed since 2023 and underscores Kornit's commitment to disciplined capital allocation and enhancing value for its shareholders.

"Our business continues to strengthen as we execute on our strategic priorities, expand recurring revenues, and deliver improved profitability," said Mr. Samuel. "This repurchase program reflects our firm belief in the Company's strategy, the resilience of our business model, and the substantial long-term value we are creating as we continue leading the digital transformation of the fashion and textile industry."

Under the share repurchase program, Kornit's ordinary shares may be repurchased from time to time in the open market or through privately negotiated transactions, consistent with United States securities laws and regulations. The timing and amount of repurchases will depend on market conditions, share price, and other considerations, and the program may be suspended or discontinued at any time. Repurchases may commence after completion of the required thirty-day creditor notification period under Israeli law (assuming that there are no objections raised by creditors), and subject to potential limitations on repurchases once the upcoming blackout period related to the end of the fourth quarter of 2025 begins.
